

**Do you need support?
We can help!**

Supporting the people of Dorset to achieve their employment, training and education goals.

The UCan project believes in putting people first. By taking a person centred approach, we are able to get to know the unique needs and requirements of everyone we work with personally.

We understand every situation is different, and so we take the time to get to know you as an individual. This helps us to understand how we can best support you to develop, achieve and move towards your goals.

The UCan project is funded by the European Social Fund and The National Lottery Community Fund.

UCan - bringing real solutions to support you

Personalised Support Package

Our caring and supportive team will listen to your needs and offer specific and tailored information, advice and guidance. We can also help you to access and connect to a range of additional services in our community. This will help you progress on your own personal journey and together, we can help you to achieve your goals.

We can help you in many ways!

Do you need a qualification, literacy, numeracy or digital skills?

Maybe you need the right tools or equipment? Are you looking for someone to chat to about jobs, mental health or life goals. The UCan team can help you with this - and so much more!

Going it alone can be daunting, so we intend to be there for you every step of the way.

Choose UCan with confidence

Working in the community, we aim to inspire you to realise your full potential and achieve your dreams.

UCan will welcome you regardless of your ability, background, personal circumstances or lifestyle. Equality and diversity is at the heart of everything we do.

Work and volunteering

If it's a job or volunteering you are looking for, we can help you to prepare for this.

We will actively work with employers to ensure they understand your specific requirements to help you find and keep the right role for you

Education and training

If you are looking to strengthen your skills, start a training course or gain a qualification, together we can identify and access the right course for you.

Literacy or numeracy support?

Want to update your digital skills? Our qualified in house tutors are here to help. We could even provide you with the equipment you need to succeed.

Social Inclusion

Do you sometimes feel isolated? Not sure what is available in the community? Want to connect with new people?

We can provide you with the opportunity to access community based resources that can help you to get connected!

Our voluntary project is designed to help you move closer to your objectives.

The UCan project is for people in the Dorset area, aged 25 and over who are unemployed or economically inactive. We can help and support you to achieve your learning, training and employment goals.
